

*If students were not previously in a school we will need copies of: Student's birth certificate, physical immunization record, dental record, and vision record. See full list below.

All Students in Preschool, Kindergarten, Sixth and Ninth grades are required to provide a copy of a current Illinois physical examination including required State of Illinois vaccinations.

1. All students entering the Sixth and Twelfth grades will be required to show proof of recent MCV vaccine.

2. All Students in Kindergarten, Second, and Sixth grades are required to provide proof of a dental examination.

3. All Illinois children who upon first entry into school must provide a proof of eye exam. The exam must be performed by an ophthalmologist or an optometrist.

4. All children must have a copy of their birth certificate in their file.

5. All documents may be faxed to 343-8006 or brought into the office.

If you have questions about what information is needed for your child please call the office, 343-8008.
